

## Arizona Enacts Universal ESA Program

This July, Arizona became the first state to embrace universal school choice by enacting legislation that allows all students to participate in the state's **Empowerment Scholarship Account (ESA)**.

This means that Arizona families now have **access to funds** that can be used to **pay for tuition** at a private Christian schools like **Heart Cry Christian Academy**, with no restrictions or qualifications needed!

Call our Admissions Office at 480-646-8517 or email [info@heartcrychristianacademy.com](mailto:info@heartcrychristianacademy.com) to learn more.
