Re: Driveline Map and Placards

Dear HCCA Families,

As we gear up for another exciting school year, we want to remind you of important safety procedures for arrival, dismissal, and parking on campus.

General Reminders:

- ***Drive with care:*** Arrival and dismissal times are busy. Always drive slowly and cautiously (5 mph or less) and watch for pedestrians—especially children who may be distracted.
- ***Follow directions:*** Please follow instructions from staff and the Campus Safety Team. Only use designated parking and pick-up/drop-off areas shown on the map below.
- ***Be courteous:*** Patience and respect for others help keep everyone safe.

Traffic Flow:

- ***Hunt Hwy entrance/exit:*** For families who need to park on campus. See “Parking Only” area on map.
- ***Sossaman Rd entrance/exit:*** For families using the drive line for student drop-off and pick-up
- ***Sossaman Rd (Kindergarten):*** Kindergarten pick-up only (see yellow box on map).

Additional Safety Reminders:

- ***Do not pass in line.*** Remain in place while waiting and during drop-off/pick-up.
- ***NEW - Preschool Parking:*** Preschool families will be parking in the south lot by the new church building (see blue area in map below). Use extra caution around young children.
- ***Placards:*** Required for student pick-up. You’ll receive two in your child’s welcome folder at **Meet the Teacher** on Monday, July 21. Replacements available for \$3 at the front office.

Our mission is to equip children with knowledge, wisdom, and Biblical principles.

- ***Picking up a child not listed on your placard:*** The child's parent must call the front office in advance. Without prior notice, you'll be asked to park and come inside for verification - even if you're listed as an emergency contact.

Please refer to the map below and reach out to our School Administrator, Marie Leigh, at 480-646-8517 with any questions.

Thank you for helping us keep all students and staff safe!

Yours in Christ,

Lisa Van Camp
Principal
